

1. As noted in the most recent State Department Travel Warning, the security situation on roads south of the border between Ciudad Juarez, Chihuahua and Matamoros, Tamaulipas has been marked by unpredictable violence. Effective July 15, 2010, the U.S. Mission in Mexico will impose certain restrictions on U.S. government employees transiting this area. As of that date, Mission Mexico personnel and their families may not drive across the Texas border between, and including, Ciudad Juarez and Matamoros on official travel. This precaution also applies to employees and their families transiting Mexico to/from Central American posts. This policy does not apply to employees and their family members assigned to border posts (Tijuana, Nogales, Ciudad Juarez, Nuevo Laredo and Matamoros), although they may not drive to interior posts as outlined above.

2. For the latest security information, U.S. citizens traveling abroad should regularly monitor the Department's internet web site at <http://travel.state.gov/> where the current Worldwide Caution, Travel Warnings, and Travel Alerts can be found.
